OFFICE OF THE AUDITOR,

Dated Mysore 24th November 1925

From

S. SHAMANNA, Esq., B.A.,

Auditor, Mysore Railways.

DIARY NO. 2031

1925 — 1926

Mysore. G. A

The Secretary to the Government of Mysore,

Financial Department, Bangalore.

Sir, .

Revenue Statistics of Railway Lines worked by Government for October 1925.

.....

With reference to your letter No. Fl. 2869 dated 21st Instant enquiring why there has been a fall in Gross Receipts and an increase under Working Expenses to end of October 1925 as compared with the corresponding period of the previous year in the above Statement, I have the honor to note below the main reasons for the variations

GROSS RECEIPTS.

(1). Net decrease under Traffic Earnings proper in 1925-26 as compared with 1924-25 mainly under Goods explained as due to less movement of food grains and Manganese traffic.

Rs.-22,000.

(2). Increase in Traffic Suspense Balance by Rs. 80,000 in 1925-26 against a reduction of Rs. 65,000 in 1924-25 i.e., in 1925-26, more Freight bills remained unpaid while in - - 1924-25 Freight bills of previous years had been paid in the corresponding period. This is chiefly due to the Iron Work not having paid a single pie during the current year towards Freight bills while in the corresponding period of last year they had paid about Rs. 65,000.

WORKING EXPENSES.

The increase in expenditure is due to 1/12th of the annual provision for depreciation being adjusted monthly in 25-26 in accordance with G.O. No. Fl. 5508 Dated 6th April 1925 while in the corresponding period of last year only the actual expenditure incurred which was much less was included under Working Expenses.

I have the honor to be,
Sir,
Your most obedient servant,

Auditor, Mysore Railways.
